Itinerary

### Day 1 | Arrive-Beijing

Arrive in Beijing, China's capital and one of its most modern cities. Check in to our luxurious accommodations and enjoy the remainder of the day free at leisure.

### Day 2 | Beijing (AB,L,DP)

Dive into Beijing's extraordinary history as we embark on a tour of the iconic Tiananmen Square. Walk through the vast square and past by Chairman Mao's Mausoleum, then venture to the Forbidden City, so called because it was closed to the public for over 500 years. Admire the royal treasures in the on-site Palace Museum and then continue to the Summer Palace a royal garden which boasts exquisite pavilions, temples and bridges surrounding Kunming Lake. Stop for photos at the 2008 Olympic Sites, Bird's Nest and Water Cube, and this evening enjoy the local delicacy of a sumptuous Peking Duck dinner.

### Day 3 | Beijing (AB,L,DH)

This morning we visit the legendary Great Wall, which snakes 4000 miles across China's Northern borders. Spend some time walking across this immense defense system and admire the dramatic panoramas of China's rugged landscapes. Afterward we visit the Sacred Way, a "divine road" leading to the Ming Tomb Museum.

### Day 4 | Beijing -Xian (AB,L,DH)

This morning we visit the Temple of Heaven, constructed for the Ming and Qing emperors' annual pilgrimages of prayer to the heavens. Located south of Tiananmen Square, the massive Temple of Heaven Park is China's largest complex of ancient sacrificial buildings. Board a short domestic flight to Xian, transferring to our hotel where dinner is served this evening. Deeply ingrained in history as the political and cultural capital of China for more than 1,000 years, Xian also marks the starting point of the Silk Road.
