Ngày-Day 3: San Francisco / Yosemite / Los Angeles

In the morning, you will visit California’s best-known Yosemite National Park, one of the wonders of Nature. Yosemite is located near the geographical center of the Nevada mountain range.

Towering granite rocks, mighty waterfalls and placid valleys give Yosemite all the aspects of a “land of the gods”. Giant trees, water gushing from the mountains, huge rocks and cliffs carved to create a land of fantasy. There is little doubt that water – in both its liquid and solid form – was the chief architect of Yosemite’s landscapes. Here you will see the biggest granite rock in the world-El Captain, the fifth waterfall in the world-Yosemite Waterfall, and Half Dome at Tunnel View Point.
